The 2021 EXHIBIT

THE ILLUMINATE CORAL GABLES EXHIBITION WILL TURN THE STREETS, HISTORIC BUILDINGS AND PUBLIC SPACES OF CORAL GABLES INTO A BRILLIANT OUTDOOR MUSEUM.

BRING THIS PROJECT TO LIGHT

To become a sponsor of Illuminate Coral Gables is to play an active role in the reimagining of our City.

The cultural landscape of Coral Gables has developed steadily over the last decade under the careful stewardship of an engaged and imaginative City Government. From the proliferation of sculpture on City-owned property, to the annual support of the Coral Gables Museum, The Coral Gables Art Cinema and the Miracle Theater, we are emerging as the premier destination in South Florida for those seeking enrichment through the arts. This rich cultural landscape, combined with world class dining and shopping, is fulfilling the city founder's vision as 'The City Beautiful'.

Now is the time to Illuminate Coral Gables.

Through a bold new initiative by the major stakeholder organizations and the City, this first-of-its-kind, art focused, event will draw visitors from across South Florida and beyond. Using light, projection and sculpture, works of fine art will be displayed in the public realm in a new and evocative way -creating an event that is uniquely Coral Gables and one that will become our signature event.

Thank you for your support of this important and transformative effort.

Sincerely, Venny Torre and Patrick O'Connell
